

# Pour, Sing & Rock at Barrel Republic

February 7, 2017

Barrel Republic Pacific Beach invites you to join them every Wednesday & Thursday night starting at 7:00 PM for their Pianos & Pints event. Guests can pour, sing, and rock along to today's hottest tunes!

Everyone at Barrel Republic – who is of age, of course – has the freedom to pour beer of your choice in the amount of your choice! Their always-rotating selection 40+ of kegs and barrel-aged brews on tap will allow you to sample from local and nation-wide breweries. Barrel Republic's freedom to pour system provides the chance for guests to create their own experience, no matter the size of the glass! If you add in a live playing pianist, the house will be rockin'!

Once you've made your selection from their extensive tap offerings, find a spot to your liking. Individual song sheets are available on each table for you and your friends to write down song requests for the pianist! Once the song is selected, simply drop off the request at the piano. Be sure to dance and sing along when you hear your song!

Barrel Republic is raising the roof for the best bar in Pacific Beach offering a live music performance and the hoppiest beer in the city. The freedom to live, sing and pour is yours!
