COLORFUL CARLSBAD

Kick off your day with a plate piled high with avocado toast, stuffed brioche French toast, or short-rib Benedict at **Toast Gastrobrunch**. Check out the cool vintage instruments at the **Museum of Music Making** and learn about the evolution of jazz, folk, rock and pop. Find designer threads at **Carlsbad Premium Outlets** or test your driving skills on a high-performance go-kart at **K1Speed**. Curb your hunger pangs with chili-braised cauliflower tacos at **Clara** in the Carlsbad Village Mall, and don't

miss their handcrafted cocktails. Everyone is talking about the new-wave French restaurant **Jeune et Jolie**, which is pretty in pink. Their Wagyu steak frites are as good as it gets. Beer connoisseurs should frequent **Barrel Republic**, whose 40 rotating casks of craft beer showcase San Diego's finest and other hoppy global brews.
